The Ontario Principals' Council (OPC) invites students across Ontario to design a logo for its 20th anniversary forum, LeadON20. This forum is being held for principals, vice-principals and school leaders from around the world to celebrate 20 years of exemplary leadership.

The forum will be held in Toronto on April 18-19, 2018. It is anticipated that over 500 school leaders will attend.

The underlying theme for the conference is **Looking Back, Leading Forward** and will explore topics of equity, mental well-being, technology-enabled learning and pedagogical leadership.

Submissions should be based on the theme, be a logo only, in colour, clear and reflect the theme in a positive way. **Do not use any text.** The logo can be digital or non-digital media excluding paint. Digital submissions should have a resolution of **at least 300 dpi**.

An honorarium of \$100.00 will be awarded to the designer of the selected logo and he/she will receive recognition for the design on the forum program, a great addition to a student's portfolio.

Submissions must be received by the OPC by Friday November 3rd, 2017. The final selection will be chosen in January 2018. Please submit the entry form, on the second page of this document, with the design to cjohnstone@principals.ca. The form can be submitted electronically or mailed to the OPC office to the attention of Chris Johnstone.

Thank you to all who participate! We look forward to seeing your creations.

Property Rights

I understand that if my design is selected to be the logo of the OPC 20th anniversary forum that this design will then become the property of the OPC and will not belong to me for further use. I will receive credit for this work in the printed conference program and will receive an honorarium of \$100.00 for my contribution, and I acknowledge that this is good and sufficient consideration for my agreement to fully and finally convey my intellectual property in the logo to OPC.
