

The **Principal** Profile

We want to introduce you to one of your local public school principals. Learn more about their role and responsibilities.

Meet Pablo Gil-Alfau
Principal of Levack Public School
Rainbow District School Board

As a principal, how do you help students be academically and emotionally successful?

“Children need to feel safe and cared for. By developing healthy student-staff relationships, we see positive and long-lasting impacts on students’ social and academic development, positive feelings about school, better attendance, improved engagement with learning and reduced behaviours that impede student progress.”
