Meet Michelle Lemaire

System Principal
Halton District School Board

As a system principal working in the board office, and in your work at the Welcome Centre, how do you help students in Halton be successful?

“ I align resources such as settlement services, language and math assessments, special education and social work supports, cultural broker and translation and interpretation services so that students experience a seamless and fully supported transition into their new schools. I also work with schools to access these resources so that students can unlock their potential from the moment we meet them at the Welcome Centre and throughout their learning experience at the Halton District School Board. ”
