We want to introduce you to one of your local public school principals. Learn more about their role and responsibilities.

Meet Mackenzie Sayers

Vice-Principal of East View Public School
Algoma District School Board

How do you help Indigenous students be successful?

“ I help Indigenous students be successful by providing learning opportunities that are culturally relevant and meaningful to a positive self-identity as Anishinawbek. I believe in building community partnerships with those who are our traditional knowledge keepers so our students know their history. And I try to live by the phrase Mino Biimadziwin (he/she leads a good life) and demonstrate this for my students on a daily basis. ”
