

The **Principal** Profile

We want to introduce you to one of your local public school vice-principals. Learn more about their role and responsibilities.

Meet Ryan Gibb

Vice-Principal at Preston High School
Waterloo Region District School Board

What are your favourite parts of the job as a vice-principal?

“ My favourite parts of the job are working with staff, students and families, helping people find solutions to problems. You can see the relief on peoples’ faces when you can work through an issue with them, and come up with a good working plan. I enjoy meeting students, hearing their stories and experiences, and acting as a bridge between kids and caring adults in the building. ”
