

The **Principal** Profile

We want to introduce you to one of your local public school principals.
Learn more about their role and responsibilities.

Meet Jeff Brookshaw

Principal at Owen Sound District Secondary School
Bluewater District School Board

How does a principal contribute to student achievement?

“ We contribute by first building relationships with students, staff and families. Then new learning with all partners can be achieved. Creating a collaborative and safe environment is the first and lasting step that moves student achievement forward. This isn't achieved from behind a desk; principals need to be out in the school and available to everyone. ”
