

The **Principal** Profile

Justin Shulman

Principal of Learning Support Services
Ottawa-Carleton DSB

As a system leader, how do you support inclusive practices to support student success?

“ I promote inclusive practices by **fostering strong relationships and centering students' strengths**. I engage in courageous conversations to uncover barriers and co-create supportive, innovative solutions. Working collaboratively and intentionally, I support colleagues in creating environments where every student feels seen, valued and empowered to succeed. ”
