

The **Principal** Profile

Kaley McMillan

Vice-principal

Eganville and District Public School

Renfrew County District School Board

How do you support Indigenous education in your school?

“ Our school offers a daily Algonquin Language program for all students. We seek to walk a good path each day, with a commitment to Truth and Reconciliation and challenging systems of oppression. We center the Seven Sacred Teachings—Respect, Courage, Love, Honesty, Wisdom, Humility and Truth. **A sense of safety, belonging and identity are at the roots of learning and growth,** and our staff support the minds, hearts, spirits and emotions of young people every day. ”
