

The **Principal** Profile

Jennifer Capitani

Principal, W. Erskine Johnston PS
Ottawa-Carleton District School Board

What does your role as a school leader look like in your school community?

“ I see my role in the school as seeking out ways to help facilitate student and staff success. Noticing needs and strengths within the school and then collaborating with staff, students and families to highlight and **foster student achievement and well-being** is central to my work as a school leader. ”
