

Elementary and Secondary VICE-PRINCIPALS

York Region District School Board is the third largest school district in Ontario, with over 124,000 students in 180 elementary schools and 33 secondary schools, and a mission “to advance student achievement and well-being through public education, which motivates learners, fosters inclusion, inspires innovation and builds community”. York Region students consistently perform above average in provincial testing and the Board is one of the top achievers in the province. YRDSB attributes its success to a unique combination of students who are motivated to succeed; teachers who are skilled at helping students learn; strong educational leaders who share a common vision of excellence; and the participation of a supportive community and parents that understand the importance of quality public education.
